## 2. Definition:

A demonstration or exhibition jump is defined as a jump at a location other than an existing drop zone, performed for reward, remuneration, or promotion and principally for the benefit of spectators. Competition events and for-profit events sponsored by drop zones do not qualify for demonstration insurance. Contact ITP for quotes on General Liability Event Insurance.

For coverage to be valid, each insured jumper MUST comply with the USPA BSRs and the recommendations stated in the Skydiver's Information Manual (SIM) Section 7 as well as those attached hereto.

Tandem jumps may be part of a demonstration jump only if the jump is performed in accordance with current USPA BSRs and FAA regulations.

- » **Open Field and Level 1** – no experience necessary for the passenger
- » **Level 2** – the tandem instructor **AND** passenger must hold a current USPA D license and PRO rating.
- » **Stadium** – tandem jumps into stadiums are prohibited by USPA and the FAA.

## 3. Requirements:
